Full details of the International Training Two Year Renewal/Refresher Policy are contained in General Membership Standards.

### ☐ International Training Membership Agreement: (Please read the membership agreement and sign below.)

This agreement is made and entered into by and between International Training and its appointed regional representatives, hereinafter referred to as "International Training" and the membership applicant named above, hereinafter referred to as "I." I hereby declare I have read and I understand and accept the terms of the International Training Membership Agreement, Renewal Requirements and Conditions listed in this membership renewal application, which includes financial responsibility and professional and ethical policies. The information I have provided is accurate to the best of my knowledge and belief.

- I understand that I am not an agent, employee, or legal representative of International Training.
- I understand that my membership with International Training is not to be construed as a partnership, joint venture nor does it establish an agency relationship between me and the Association or its subsidiaries.
- I agree to save and hold harmless International Training, its officers and directors and assigns for any loss, claim or damage resulting from action, error or omission of me, or my agent, students or assigns.
- I agree that if I become aware of any event, act, error or omission that might reasonably be expected to be the basis of a claim or suit against me, or any International Training Leader, agent or affiliate, or International Training itself, written notice shall be given to International Training as soon as practical and I will cooperate to the best of my ability with International Training or their legal representative.

**Suspension or Termination For Cause** - International Training may suspend or terminate membership for Member's commission of any act: (i) involving (A) a felony or (B) repeated use of drugs or intoxicants; or (ii) which disparages the business integrity of International Training, its parent Corporation or subsidiaries or affiliates or their officer directors, employees or customers, and materially and adversely affects the business reputation of International Training.

### ☐ Medical Requirements

The International Training Code of Ethics and Conduct, found in Part 1 of International Training standards, states: "International Training Professional always maintains their personal, physical, and mental fitness as they relate to diving."

As this is part of the membership requirements each professional agrees to abide by each year when they submit the signed re-newal agreement (including online renewals), effective immediately, International Training is not requiring a physician-signed medical form to be submitted annually by members to stay in active status. New leadership applications for DM, AI, and instructor, along with all crossovers, will still need to submit a physician-signed medical with their application. International Training requires its professional members to refrain from diving or teaching diving without a medical clearance if a member experiences a change in their personal, physical, or mental fitness as they relate to diving. Submitted medicals will be documented in the database, but are no longer required.

### ☐ Conditions: (Please read all the conditions and sign below.)

This Renewal Application does not constitute an offer for membership. Membership is accepted only upon approval of the application by International Training's Training Department. International Training certification cards issued by International Training Headquarters are the property of International Training and must be surrendered upon request by the Training Department or their representatives. A International Training member who does not renew their annual dues loses International Training membership, and must meet special renewal requirements before renewal will be considered. All International Training members are subject to quality assurance reviews for compliance with course standards and safety procedures. International Training reserves the right to refuse any membership renewal. Membership may be suspended or revoked at any time by the Training Quality Assurance Committee if warranted.
